

***PUBLIC NOTICE FOR POSITION BEING FILLED  
UNDER DIRECT HIRE AUTHORITY (DHA)  
FOR CERTAIN PERSONNEL OF THE  
DEPARTMENT OF DEFENSE (5 U.S.C. § 9905)***

**Public Notice Number:** HNC-DHA-9905-24-019

**Opening and Closing Dates:** 4 March 2024 through 24 March 2024 (11:59pm CT)

**Position Title:** Interdisciplinary. This position can be filled using any of the following series:

- Electrical Engineer, GS-0850

**Series/Grade:** GS-0850-13. Multiple positions may be filled from this notice.

**Full Performance Level:** GS-13.

**Duty Location:** U.S. Army Corps of Engineers, Engineering and Support Center, Directorate of Engineering, Facilities and Systems Sustainment Branch, Huntsville, AL

**Salary Range:** \$107,534-\$139,798 (GS-13) per annum

**Work Schedule:** Full-time

**Appointment Type:** Permanent

**Start Date:** Upon completion of hiring process.

**Travel Requirement:** *Temporary Duty Travel (TDY) of 25% or more (may be less if requested by management).*

**Relocation:** Relocation (PCS) expenses may be authorized (subject to available budget) if the selecting official determines the relocation is in the best interests of the government.

**Hiring Incentive:** Hiring incentives such as a recruitment bonus, and student loan repayment may be authorized (subject to available budget) if the selecting official determines the incentive is in the best interests of the government.

**Who May Apply:** U.S Citizens and Nationals

**Qualifications Requirements:** To qualify, you must meet the education and/or experience requirements described below. This education and/or experience must be described/reflected in your resume and/or transcripts. Experience refers to paid and unpaid experience, including volunteer work

done through National Service programs (e.g., Peace Corps, AmeriCorps) and other organizations (e.g., professional; philanthropic; religious; spiritual; community; student; social). You will receive credit for all qualifying experience, including volunteer experience.

**Basic Requirement for an Engineer:**

Please refer to the Office of Personnel Management website at the following links for information regarding basic qualification requirements: <https://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/0800/files/all-professional-engineering-positions-0800.pdf>

**In addition to meeting the basic requirement above, to qualify for this position you must also meet the qualification requirements listed below:**

**Specialized Experience for GS-13:** One year of specialized experience in facilities engineering and/or operations and maintenance which includes responsibility for leading journeyman engineers to develop scopes of work, budgetary estimates, calculations, drawings, specifications; evaluate performance against contract requirements; and partner with Project Management for successful delivery of projects. This definition of specialized experience is typical of work performed at the next lower grade/level position in the federal service (GS-12).

**Responsibilities/Duties:** Serve as the principal advisor and technical specialist for programs which require extensive interior/exterior electrical power, controls, related systems, equipment required for power generation, transmission, distribution, and utilization networks. Other duties include:

- Works as an Electrical Engineer in support of classified and non-classified programs of significant national importance.
- Typical electrical engineering activities involve unusual, unprecedented, and obscure problems, which require experienced engineering judgments and non-traditional solutions.
- Assignments require the ability to develop new approaches in solving a variety of engineering problems that involve multiple disciplines and extensive coordination.
- Responsible for developing designs, plans and specifications for electrical systems of major size and complexity.
- Preparing and coordinating the preparation of Performance Work Statements, Scopes of Work, and Independent Government Estimates.

**Conditions of Employment:**

- 1) Must meet suitability for Federal employment.
- 2) Will be required to provide proof of U.S. Citizenship.
- 3) Male applicants born after December 31, 1959 must complete a Pre-employment Certification Statement for Selective Service Registration
- 4) May be required to serve a 2-year probationary period.
- 5) This position is part of the Construction Engineering and Infrastructure Career Field, Engineers & Scientists (Construction) Functional Community (formerly Career Program 18).
- 6) Reasonable accommodation is available to qualified employees with disabilities.
- 7) Personnel Security Investigation required

**How to Apply:** Please provide your current resume and unofficial transcripts via email to

[CEHNC-DirectHireAuthority@usace.army.mil](mailto:CEHNC-DirectHireAuthority@usace.army.mil). Submit all information in PDF or Word format. Ensure your email has the following subject line: HNC-DHA-9905-24-019. Application packages will be accepted through 11:59pm CT on 24 March 2024.

***Application packages that are received after the closing date, do not contain resume and transcripts, or are submitted in unreadable formats will not be considered.***
