

U.S. Army Engineering and Support Center, Huntsville

*Delivering innovative solutions
to unique, complex missions
for our customers worldwide*

2015 Small Business Forum 9 a.m. Oct. 14

Jackson Center, Research Park, Huntsville

Quality Product Delivery

Integrity

The forum provides small businesses the opportunity to learn about potential center opportunities in the coming year and talk one-on-one with contracting officers and program managers. It is also an excellent networking opportunity because many larger businesses attend looking for small business subcontractors for upcoming projects with the Corps.

Exceptional Customer Service

U.S. Army Corps of Engineers
BUILDING STRONG®

Teamwork

Registration closes Oct. 1.
