

DID WERS-003.01

DATA ITEM DESCRIPTION

Title: Safety Submissions

Number: WERS-003.01

Approval Date: 20100428

AMSC Number:

Limitation:

DTIC Applicable: No

GIDEP Applicable: No

Office of Primary Responsibility: CEHNC-MM-CX

Applicable Forms:

Use/Relationship: This DID is for the preparation of the Explosives Site Plan (ESP), Explosive Safety Submission (ESS), Chemical Site Plan (CSP), Chemical Safety Submission (CSS), No DoD Action Indicated (NDAI) ESS, and Time Critical Removal Action (TCRA) ESS. These documents are used to provide the appropriate safety criteria for planning and siting of operations for Munitions Response, Recovered Chemical Warfare Material and other related projects that are in an investigative or characterization phase where there will be intentional physical contact with Material Potentially Presenting an Explosive Hazard (MPPEH), or presenting a chemical hazard.

Requirements:

1.0 Submissions will be executed in accordance with EM 385-1-97, EP 75-1-3, DoD 6055.09-STD, DoDI 4140.62 and EM 1110-1-4009 as is appropriate.

2.0 End of DID WERS-003.01.
