MFSS II - ACQUISITION APPROACH

- North American Industry Classification System (NAICS) Code – 561210, Facilities Support Services
- Small business size \$38.5 million
- Anticipate five (5) year contract ordering period (two year base period and three one-year option periods).
- Anticipated capacity \$150 million

MFSS II - ACQUISITION APPROACH

- MATOC to include a small business reserves on contiguous U.S. task orders
- MATOC to allow small businesses to propose on all competitive task orders
- **NOTE:** Until all required acquisition related documents are approved, the expectations below are subject to change.

MFSS II OVERVIEW

- The MFSS acquisition is led by the Medical Project Support Services (PSS) Team. The PSS Team is part of the OMEE/PSS Branch within the Medical Division at Huntsville Center. The team utilizes a combination of A-E and services contracts to provide medical support services to the Department of Defense and other federal agencies.
- The program currently supports contiguous United States and specific overseas requirements for the U.S. Army Medical Command (MEDCOM), Air Force Medical Support Agency, U.S. Navy Bureau of Medicine and Surgery, and the Defense Health Agency.
- The key to our success is the ability to quickly respond to customer needs by having contracting tools available, with medically astute contractors. Our IDIQ contractors are specifically selected based on their qualifications and experience in medical facility support services.

MFSS II OVERVIEW

- The MFSS contract provides various medical facility support services, such as:
 - General Project Coordination and Management Support Services
 - Facility Assessments
 - Facility Planning Services
 - Project Development Services
 - Site Analysis Services
 - Commissioning
 - Occupancy Support Services
 - Supplemental Services

- This is the second generation of this contract mechanism. The existing MFSS MATOC I includes the following firms: ARGO, NIKA, Clarke, Polukai, HFS, and TEAM Integrated Engineering Inc.

SYSTEM FOR AWARD MANAGEMENT (SAM)

The screenshot displays the SAM.gov website interface. At the top, there is a navigation bar with the SAM logo and the text "SYSTEM FOR AWARD MANAGEMENT". To the right of the logo is a login section with fields for "USER NAME" and "PASSWORD", a "LOG IN" button, and links for "Forgot Username?" and "Forgot Password?". Below the login section is a "Create an Account" link. A dark blue navigation menu contains the following items: HOME, SEARCH RECORDS, DATA ACCESS, GENERAL INFO, and HELP. The main content area is divided into three columns:

- CREATE USER ACCOUNT:** Text explaining that CCR usernames do not work in SAM and that a new SAM User Account is needed. A "Create User Account" button is at the bottom.
- REGISTER/UPDATE ENTITY:** Text explaining that users can register or update their entity records. A "Register/Update Entity" button is at the bottom.
- SEARCH RECORDS:** Text explaining that all entity records from CCR/FedReg and ORCA are now in SAM. A "Search Records" button is at the bottom.

Below these columns is a "WHAT IS SAM?" section with a "Need Help?" button. The text states: "The System for Award Management (SAM) is an official website of the U.S. government. SAM consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO cost to use SAM. Register to do business with the U.S. government for free directly from this site. Find free help with your SAM registration on our HELP tab, including user guides, videos, and FAQs."

Below this are three sections: "NEWS AND ANNOUNCEMENTS", "USER GUIDES/HELPFUL HINTS", and "ATTENTION EXTRACT AND WEB SERVICE USERS".

- NEWS AND ANNOUNCEMENTS:** Includes links to "General Info > News > Announcements" and a list of recent news items such as "Release notes are posted for the SAM.gov release deployed on December 22, 2016."
- USER GUIDES/HELPFUL HINTS:** Includes "SAM Help" (User Guide, Quick Start Guides, etc.) and "Federal Service Desk" information.
- ATTENTION EXTRACT AND WEB SERVICE USERS:** Explains that support for legacy-formatted extracts ended on October 31st, 2014, and provides instructions for submitting a Data Access Request.

NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS)

The screenshot displays the official website for the North American Industry Classification System (NAICS). The page features a blue header with the United States Census Bureau logo and a navigation menu with categories like Topics, Geography, Library, Data, Surveys/Programs, Newsroom, and About Us. A search bar is located in the top right corner. Below the header, the main content area is titled "North American Industry Classification System" and includes a sub-menu with options like Main, History, Development Partners, Federal Register Notices, NAPCS, and FAQs. The central section, "Introduction to NAICS", provides a detailed overview of the system, its development, and its use by federal agencies. It includes a paragraph explaining that NAICS is the standard used for classifying business establishments and a paragraph detailing its development by the Office of Management and Budget (OMB) and the U.S. Economic Classification Policy Committee (ECPC). A "Downloads/Reference Files/Tools" section lists various documents, including NAICS versions from 2017 to 1997, concordances, and update process fact sheets. A "Contact Us" section provides an email address: naics@census.gov. On the right side, an "Announcements" section lists recent updates, such as the final 2017 revision, the 2017 NAICS structure, and the 2017 NAICS to 2012 NAICS conversion files.

NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS)

The screenshot shows the NAICS website interface. At the top, there is a navigation bar with the United States Census Bureau logo and various menu items: Topics (Population, Economy), Geography (Maps, Products), Library (Infographics, Publications), Data (Tools, Developers), Surveys/Programs (Respond, Survey Data), Newsroom (News, Blogs), and About Us (Our Research). A search bar is located on the right side of the navigation bar.

The main content area is titled "North American Industry Classification System" and includes a navigation menu with buttons for Main, History, Development Partners, Federal Register Notices, NAPCS, and FAQs. Below this, there are three search boxes labeled "2017 NAICS Search", "2012 NAICS Search", and "2007 NAICS Search".

The "2017 NAICS Definition" section is highlighted. It includes a note: "T = Canadian, Mexican, and United States industries are comparable." The definition for "561210 Facilities Support Services" is provided, along with a list of cross-references.

2017 NAICS Definition
 T = Canadian, Mexican, and United States industries are comparable.

561210 Facilities Support Services
 This industry comprises establishments primarily engaged in providing operating staff to perform a combination of support services within a client's facilities. Establishments in this industry typically provide a combination of services, such as janitorial, maintenance, trash disposal, guard and security, mail routing, reception, laundry, and related services to support operations within facilities. These establishments provide operating staff to carry out these support activities, but are not involved with or responsible for the core business or activities of the client. Establishments providing facilities (except computer and/or data processing) operation support services and establishments providing private jail services or operating correctional facilities (i.e., jails) on a contract or fee basis are included in this industry.

Cross-References:

- Establishments primarily engaged in providing only one of the support services (e.g., janitorial services) that establishments in this industry provide are classified in the appropriate industry according to the service provided;
- Establishments primarily engaged in providing management and operating staff for the complete operation of a client's establishment, such as a hotel, restaurant, mine, or hospital, are classified according to the industry of the establishment operated;
- Establishments primarily engaged in providing on-site management and operation of a client's computer systems and/or data processing facilities are classified in U.S. Industry [541513](#), Computer Facilities Management Services; and
- Governmental correctional institutions are classified in Industry [922140](#), Correctional Institutions.

SMALL BUSINESS ADMINISTRATION (SBA) DYNAMIC SMALL BUSINESS SEARCH

The screenshot shows the SBA Dynamic Small Business Search (DSBS) website. The browser address bar displays http://dsbs.sba.gov/dsbs/search/dsp_dsbs.cfm. The page header includes the SBA logo, navigation links (Skip Navigation, Accessibility Options, Mobile View, Print, Exit, Help), and search options (DSBS, Quick Market Search, TM OnLine). A green 'Ready' indicator is visible in the top right corner.

Welcome to the Dynamic Small Business Search

All search form hotlinks open a new browser window.
All form fields that require typing in data have "tooltips" with data format information.

NEW NEW FEATURES FOR MOBILE USERS:
Phone number hotlinks can be used to dial the number on mobile phones.
Address hotlinks can be used to show the address in Google Maps.

This is generally a self-certifying database. The SBA does not make any representation as to the accuracy of any of the data included, other than certifications relating to 8(a) Business Development, HUBZone or Small Disadvantaged Business status. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.
